Nature Connection, is modeled after a summer program for children in and around the town of Beals, a coastal village in Downeast Maine, founded in 2015. Through STEAM-based activities as well as community service projects, Nature Connection offers participants hands-on opportunities to explore nature and to develop their skills as scientists, artists, and community builders. Broadly, the program provides a safe, nurturing environment that enables children to cultivate innate positive qualities within themselves and to connect with the natural world around them. Building on its annual growth, the program is poised to enter its fifth year with a focus on expanding offerings for middle and high school aged youth. NECS is piloting this program this Summer in Peekskill NY.	0		12,788
